3.3 BUS STOPS IN LONSDALE STREET/MARINE PARADE

Leo Byatt was in attendance to request an additional bus stop(s) for the Lonsdale Street/Marine Parade area.

Leo Byatt noted that the North-East Bus Service Review had resulted in the removal of the nearest bus stop to his residence in Lonsdale Street. He requested that the bus stops on the altered bus route be adjusted to provide a more even spread of stops along Marine Parade. In particular, he suggested that stops be convenient to residents in Lonsdale Street and Rawhiti Avenue.

The Board's decision is recorded under Part B, clause 5 of this report.
