A report from the Landscape Architect (City Design) asked the Board to recommend to the Parks and Recreation Committee that the large pond at the southern end of Barkers Waterway be named Lake Kate Sheppard and the waterway and pond along the western margin of the Woolston/Burwood Expressway be named Erickson Waterway. The Board **decided** to recommend to the Parks and Recreation Committee:

1. That the waterway and pond along the western margin of the Woolston/Burwood Expressway from New Brighton Road to Travis Road be named Erickson Waterway.
2. That the large pond at the southern end of Barkers Waterway and directly north of New Brighton Road be named Lake Kate Sheppard.
