

6. ADSHEL SHELTERS - CENTRAL CITY LOCATIONS

The Subcommittee considered a report on the proposed locations for four “classic” style Adshel shelters in the central city located at:

- Armagh Street - outside Victoria Square to replace an existing Christchurch City Council shelter
- Colombo Street - outside City Centre Motel opposite Christchurch Women’s Hospital to replace an existing Christchurch City Council shelter
- Colombo Street - outside Christchurch Women’s Hospital
- Hagley Avenue - outside Hagley High School

The Subcommittee confirmed the location of these shelters and noted that Adshel had agreed to meet the costs of relocation of older style bus shelters to other locations.
