

12. DEPUTATIONS BY APPOINTMENT

(b) MR REX BULL, HAGLEY GOLF CLUB

Mr Bull, Vice President of the Hagley Golf Club, attended and spoke regarding the proposal to establish a shared pedestrian cycle pathway on the northern boundary of North Hagley Park.

He expressed concern that this would present a safety hazard to pedestrians and motorists from golf balls and also that this would adversely impact on the operation of the golf course requiring re-rating and reprinting of golfers' cards.

The representations of Mr Bull were considered in conjunction with clause 11 of the agenda relating to this topic. However, it was considered that the project should proceed as outlined.
