

## 11. SUPPLEMENTARY ITEMS

The Chairman sought the approval of the Committee to introduce the following supplementary items:

1. Report on the role of local government in meeting New Zealand's climate change target.
2. Former Sydenham Methodist (Congregational) Church - request for speaking rights.

The reasons why these items were not included in the main agenda and why they could not wait for the next meeting of the Committee were explained by the Chairman.

It was **resolved** that both items be received and considered at the present meeting.
