

3. FUNDRAISING FOR NEW CHRISTCHURCH ART GALLERY: PROGRESS REPORT

The Committee **received** a progress report from Alex Davis, Fundraising Co-ordinator, advising that total donations, grants and funds raised for the new Christchurch Art Gallery currently amounted to \$12,572,361, compared with the total target of \$13,325,000. The Community Gifts Fundraising Committee and the Major Gifts Fundraising Committee continue to make strenuous efforts towards raising the required funds, and the support for the project manifested by the generosity of donors from across the Canterbury region is most encouraging. The Committee also **decided** to hold a function later in the year to allow members of the Committee and other Councillors to express their appreciation for the success achieved by the two fundraising committees, chaired respectively by Mrs Ros Burdon and Mrs Hilary Langer.
