

1. ST GEORGE'S HOSPITAL – HEATON STREET

A report from the Environmental Services Manager provided comment on the recommendations made by the Heaton Street Residents' Committee regarding the proposed demolition of a dwelling at 146 Heaton Street, adjacent to St George's Hospital entrance way.

The Committee **decided**:

1. To receive the information.
2. To convey the Senior Traffic Planner's report on Heaton Street to the Road Safety for Schools Committee and the Schools' Advocate.
