

1. **THE ROLE OF LOCAL GOVERNMENT IN MEETING NEW ZEALAND'S CLIMATE CHANGE TARGET**

A report from the Director of Policy sought comment and approval of the proposed submission on the interim report of the Local Government and Environment Select Committee on "Inquiry into the role of local government in meeting New Zealand's climate change target".

The Committee **decided** that the submission, as amended, form part of the Council's overall submission on the interim report of the Local Government and Environment Select Committee.
