

1. RECLASSIFICATION OF PART OF HUIA GILPIN RESERVE

The Board considered a report from the Parks and Waterways Policy and Leasing Officer, seeking the Board's comments on a proposal to reclassify part of Huia Gilpin Reserve as local purpose (public utility) reserve, to enable the building of a water reservoir.

The report was referred to the Board for its comments, prior to a substantive recommendation being submitted to the Council via the Parks and Recreation Committee. The Board **decided** to recommend to the Parks and Recreation Committee that the Council consent to the reclassification of this land as local purpose (public utility) reserve, subject to the conditions set out in the report.
