

7. DRAFT PLAN FOR ESTUARY'S WESTERN GREEN-EDGE

A report from the Assistant Planner informed the Board of the progress on the preparation of the draft plan for the long-term development of the Estuary's western Green-Edge including land now occupied by the Linwood Paddocks, the oxidation ponds and Bexley Reserve. The Board **decided:**

1. That the information be received.
2. That the Green-Edge Project Team consult further with affected interest groups before a public information programme is launched.
