

2. NORTH-EAST BUS SERVICE REVIEW – NEW BUS STOP IN MARINE PARADE

A report from the Transport Planner informed the Board of a proposed bus stop in Marine Parade as a result of recent bus route changes and requests from the public. It also sought the Board's support for the proposed bus stop, for consideration by the Bus Stop and Shelter Subcommittee. The Board **decided** that a new bus stop at the following proposed location on a collector road be supported and reported to the Bus Stop and Shelter Subcommittee: On the west side of Marine Parade commencing at a point 35 metres north of its intersection with Lonsdale Street and extending in a northerly direction for 12 metres (170D Marine Parade).
