

## 8. DEPUTATIONS BY APPOINTMENT

Ms Jan McSweeney, of the Recovered Materials Foundation, made a presentation to the Committee on the business plan for the Supershed. This covered the management of the Supershed and the three recycling centres located at the transfer stations, the background to the establishment of the Supershed, staffing, functions, objectives and goals. The opportunity was taken to allow members to ask questions of Ms McSweeney and for the purpose of receiving information on the business results of the Supershed to date part of the presentation was held with the public excluded.

The Committee **received** the information.
