

7. PARKS AND WATERWAYS CAPITAL PROGRAMME 2000/01 - UPDATE

The Board **received** an information report detailing progress on parks and waterways capital projects in the Board's area as at 1 April 2001.

With regard to the Waterways Restoration Programme, members reiterated a long held desire to view landscape plans prepared for such works prior to any consultation occurring.

Regarding the Jellie Park Skatepark, it was suggested that street art treatment may assist in controlling the incidence of graffiti at the facility.

Residents in the vicinity of the new Merivale Reserve had also indicated an interest in adopting the park and the staff undertook to follow up on the offer made.
