

### 13. COMMUNITY BOARD SEMINAR MEETING

A seminar meeting of the Hagley/Ferrymead Community Board was held on Monday 23 April 2001 at 3.30pm. The following matters were considered:

Environmental Services enforcement, environmental monitoring, planning issues and the process for determining notification of resource consents under the Resource Management Act 1991, among other issues.

The Board **resolved** to appoint an Environment Subcommittee comprising Bob Todd, Linda Rutland, Liz McRostie and Aaron O'Brien to discuss these issues further and others such as the proliferation of posters, enforcement of existing bylaws and whether changes to the Signboards in Public Places Policy should be considered.

The Board requested a report from the Environmental Services Unit on these issues.
