

2. PROGRESS REPORTS ON MAJOR PROJECTS

The Committee **received** reports by the Senior Professional (Project Management) on progress with the following major projects:

Christchurch Art Gallery

Mark Noonan advised that monthly reports on the sculpture (by Graham Bennett) sited outside the gallery would commence next month.

The Committee agreed to inspect the project in its “basement form” late May/early June.

Queen Elizabeth II Pools Redevelopment

Mark Noonan also advised that Alan Direen (Manager, QEII) would be reporting on matters associated with the mezzanine floor (including fitout and uses) and the hydroslide for the June round of meetings.

English Park Redevelopment

Mark Noonan also advised that seven contractors had been selected for participation in the tender process, and that a Resource Management Act hearing by a Commissioner was scheduled for Friday 18 May 2001.
