

1. DEPUTATIONS BY APPOINTMENT

1.1 Telstra Saturn

Messrs Gavin Thomas (Telstra-Saturn's Construction Facilitator) and John de Zwart (the Council's Project Manager) were in attendance to discuss the company's construction programme in the Riccarton and Wigram wards.

It was noted that the Community Advocate (and elected members if need be) would be involved in the Telstra-Saturn Subcommittee (which has overall responsibility for approving Telstra-Saturn programmed works).
