

16. NORTHWOOD SUBDIVISION – GIVE WAY SIGNS

The Area Engineer reported with a request to install 'Give Way' sign controls at some of the intersections within the Northwood subdivision.

The Board **resolved** that "Give Way" sign controls be installed at the following intersections:

1. Against the approach of Mounter Avenue at its intersection with Northwood Boulevard and O'Neill Avenue.
2. Against the approach of O'Neill Avenue at its intersection with Northwood Boulevard and Mounter Avenue.
3. Against the western approach of Northwood Boulevard at its intersection with Mounter Avenue and O'Neill Avenue.
4. Against the eastern approach of Northwood Boulevard at its intersection with Mounter Avenue and O'Neill Avenue.
5. Against the approach of Bering Street at its intersection with Northwood Boulevard.
6. Against the approach of Mounter Avenue at its intersection with Northwood Boulevard.
7. Against the eastern approach of Northwood Boulevard at its intersection with Crombie Green and Waterford Avenue.
8. Against the western approach of Northwood Boulevard at its intersection with Crombie Green and Waterford Avenue.
9. Against the approach of Crombie Green at its intersection with Northwood Boulevard and Waterford Avenue.
10. Against the approach of Waterford Avenue at its intersection with Northwood Boulevard and Crombie Green.
11. Against the approach of Talbot Road at its intersection with Northwood Boulevard.
12. Against each approach of Talbot Road at its intersection with Beechwood Drive.
13. Against the approach of Saracen Avenue at its intersection with Beechwood Drive.
14. Against the approach of Beechwood Drive at its intersection with O'Neill Avenue.
