

2. DEPUTATION BY APPOINTMENT

EUREKA STREET BROKEN YELLOW LINES

Mrs Maude Boyd, Mrs Anne Turton and Mrs Angela MacKay were in attendance requesting that parking be banned outside their properties in Eureka Street.

The residents expressed concern that some parents of children at the adjacent Wainoni Primary School were parking inconsiderately in the street and in residents' driveways. The residents reported being abused by vehicle drivers on occasion. The street is intended to be closed as part of the Woolston-Burwood Expressway roading changes and the residents anticipate increased parking problems in a cul-de-sac. The residents suggested that the parking ban would make it easier for parents to turn around and leave after dropping children on the school side of the street.

Mrs Boyd also requested that a telephone pole opposite her property be removed.

The Board's decision is recorded under Part B, clause 4 of this report.
