

4. EUREKA STREET BROKEN YELLOW LINES

A report from the Consultation Leader (Community), City Streets Unit, informed the Board of a request from residents at 118, 120 and 122 Eureka Street, Wainoni to have broken yellow lines installed outside their properties to ban parking. The Board **decided:**

1. That the Board agree to the residents' requests and a review be carried out six months after the road closure.
2. That staff be asked to report further to the Board on the possible installation of:
 - A P5 parking limit on the Wainoni School side of Eureka Street.
 - A no parking restriction on the other side of the street and around the cul-de-sac to be formed when the street is closed.
