

5. GOVERNMENT FUNDING - OUT OF SCHOOL CARE AND RECREATION PROGRAMMES

Information was submitted on the new government funding available for out of school programmes and a response to this initiative was invited from the Board.

The Board **decided**:

1. That Community Recreation Advisers and Community Development Advisers work closely with community providers, the OSCAR Network in Christchurch and National OSCAR to ensure that Christchurch providers are aware of this funding.
2. That the Board review its support of local out of school programmes and that an analysis and report be made to the Board on the impact of government funding in this area of Christchurch.
3. That based on the need to finalise project funding allocations early in 2003, officers provide an update report in March on the new funding allocated within this community.
