

10. **MURAL SITING – LETTER FROM THE SECRETARY FOR ARTS, CULTURE AND HERITAGE COMMITTEE**

The Board considered a letter from the Secretary for the Arts, Culture and Heritage Committee requesting suggestions of central city sites appropriate for a mural proposed by The Peace Foundation commemorating Christchurch's 20 years as a nuclear free city.

The Board **decided** to seek a report on available/appropriate sites within the Hagley Ward for its consideration, with particular reference to the central city and sites situated on the main route from the airport to the central city.
