

## 19. REVIEW OF SEMINAR MEETING STRUCTURE

The Board considered a report providing the Board with an opportunity to confirm its current seminar meeting structure and consider creating a structure for informal briefing sessions.

The Board requested that seminar meetings and briefing sessions be scheduled to commence at 1.00pm, instead of the current 4.00pm start.

The Board **resolved**:

1. To continue to hold seminar meetings on the third Thursday of each month from February 2003.
2. To set aside a monthly time for briefing/training sessions as required from February 2003.
