

## 15. TRUSCOTTS ROAD – STRUCTURE ON STREET APPLICATION

The Board considered a report seeking its approval for the re-siting and construction of the Wood Hill signal tower on legal road outside the entrance to Ferrymead Heritage Park.

The Board **resolved** to approve the erection of the Wood Hill signal tower on legal road at the entrance to Ferrymead Heritage Park on the space described in the report, subject to:

1. A building consent for the tower structure being obtained.
2. The owner being entirely responsible for the costs, stability, safety, and future maintenance of the structure.
3. The site being kept in a tidy condition at all times during the course of construction.
4. Construction of the structure being commenced within six months and completed within twelve months or the approval lapses.
