

5. CHRISTCHURCH ROAD SAFETY COORDINATING COMMITTEE

The Committee considered a report from Susan Cambridge, Road Safety Coordinator providing an update on the projects being undertaken by the Christchurch Road Safety Coordinating Committee.

The report noted the discussion by the Subcommittee regarding under-run protection being provided on trucks as a safety measure.

The Committee **decided**:

1. To receive the information.
2. That the Committee investigate requiring under-run protection to be fitted to all Council and City Care trucks and the trucks of contractors working for the Council, in the interest of cyclist and pedestrian safety.
