

10. REFUSE BAG TENDERS

The Committee received a report from Dave Harris, Refuse Operations Manager, seeking approval to enter into an agreement for the manufacture and supply of refuse bags for the April 2003 delivery.

The report provided background on the proposal together with details relating to the tender results received, the tender evaluation process and environmental considerations.

The Committee **resolved**:

1. That subject to the satisfactory performance of sample bags Elldex Packaging (SI) Limited's price of \$615,630 for 300,000 packs of 26 bags and 225,000 packs of 5 bags, be accepted.
2. That the term of the contract be for one year with a further two rights of renewal for a period of 12 months each, at the sole discretion of the Council.
3. That subject to all terms and conditions being acceptable to the Corporate Services Manager, the Council authorise the Corporate Services Manager to enter into an agreement for the supply and delivery of rubbish bags with Elldex Packaging (SI) Ltd.
