

11. TENDERS FOR OXIDATION POND 1 DEEPENING FOR CHRISTCHURCH WASTEWATER TREATMENT PLANT CAPACITY UPGRADE

The Committee considered a report seeking approval to award a contract for the Christchurch Wastewater Treatment Plant Oxidation Pond 1 deepening.

The report noted that the next stage in the \$33m Christchurch Wastewater Treatment Plant upgrade was modification of the oxidation ponds and provided details of the work proposed, the tenders received and tender evaluation.

The Committee **resolved** that the tender of G&T Construction Ltd for \$800,194 be accepted, subject to obtaining approval of an Outline Plan with conditions acceptable to the Council.
