

## 2. DEPUTATIONS BY APPOINTMENT

### 1. Rutherford's Den

Mr Jeff Field, Chairman of the Rutherford's Den Charitable Trust addressed the Committee in respect of two ideas the Trust considered would help highlight the Rutherford's Den experience for ratepayers and local, national and international visitors.

The two suggestions were:

- (1) To name the clock tower tram stop outside the Den as 'Rutherford's Den Tram Stop'.
- (2) That a sculpture be installed near the Den site which draws attention to Rutherford's achievements.

The Committee **decided** to:

1. Support the renaming of the Worcester Boulevard clock tower tram stop as the 'Rutherford's Den Tram Stop'; and
2. Support the installation of a sculpture near the Den site in recognition of Rutherford's achievements; and
3. Explore the formation of a partnership between the Arts Centre of Christchurch, Rutherford's Den Charitable Trust, Telstra Clear, the Christchurch City Council and any other interested parties, for the purpose of implementing the proposals described in (1) and (2) above.

### 2. Creative Places Award

The deputation was unavailable to attend the meeting.
