

13. SUMNER LIFEBOAT INSTITUTION

The Board considered a report on a proposed process to carry out a number of legal actions on the foreshore adjacent to Days Harbour at Scarborough, Sumner.

The Board **resolved**:

1. To support in principle the actions proposed by the report.
2. That the Community Advocate convene a public meeting with the Board's community and stakeholders to consult on the actions proposed by the report, and at the public meeting address the issue of road signage on the newly formed legal road.
3. That the Board receive a further report at its October 2002 meeting with specific recommendations having regard to community feedback on the legal processes proposed for resolution in terms of the Board's delegations.
