

1. **CONSIDERATION OF COMMUNITY BOARD PLANNING STATEMENT (KEY ISSUES)**

The Board considered the key issues outlined in a report from the Community Advocate and **resolved** to adopt those key issues, together with the additional issues listed below, for discussion with the relevant Standing Committees.

Additional Issues

1. Community governance, including participation in local government, voter turnout and attendance at public meetings.
2. Greater distribution of "Orion moneys" for community purposes, instead of distribution solely for economic development purposes.
3. Support for Council funding of the Target 500 policy, aimed at providing 500 bus shelters throughout the city.
4. Beautification, with an emphasis on tree planting along roads and in other public spaces.
