NOTICES OF MOTION

1. COMMENCEMENT OF SPECIAL ORDER PROCEDURE TO CHANGE ROAD NAMES

Approval is sought to commence the Special Order procedures required to effect two proposed road name changes. Both changes are the result of altered roading patterns in new subdivisions still in the development stages, and in both cases the replacement names proposed have been approved by the appropriate Community Board. Plans showing both proposed name changes are attached.

Awatea Gardens Subdivision: Enterprise Homes Limited

Awatea Gardens was approved as a road name for the main cul-de-sac of this subdivision in February 2002 by the Riccarton/Wigram Community Board. The development company has now obtained additional land to the east of the subdivision, and is changing the roading pattern. The main spine road will now swing to the east to service the additional development. The applicant company proposes that the road name "Awatea Gardens" continue along this main spine road, and that the remaining cul-de-sac which comprised the balance of Awatea Gardens be renamed. At its meeting on 4 September 2002 the Riccarton/Wigram Community Board approved the replacement name "Robinia Place".

Chadbury Street: Smith Developments Limited

Chadbury Street was originally designed to link Queenspark Drive and Broadhaven Avenue. There are currently two parts to Chadbury Street, the southern part which was constructed and had dwellings established in the 1970s, and the northern part, which has never been formed, and is basically a road reserve one section deep off Broadhaven Avenue. The roading pattern has changed, and the southern part of Chadbury Street has now had a turning head added and will not be extended further. The northern part forms part of a new road linking Broadhaven Avenue and Inwoods Road. A new name for this road, "Bottle Lake Drive", was approved by the Burwood/Pegasus Community Board on 17 June 2002.

The Council is therefore requested to adopt the following resolutions to effect the two name changes proposed:

- (a) *That pursuant to the provisions of section 320(1) of the Local Government Act 1974, the Christchurch City Council hereby resolves by way of Special Order that the name of the section of the road presently named as Awatea Gardens shown on the attached plan be changed to "Robinia Place".*
- (b) *That pursuant to the provisions of section 320(1) of the Local Government Act 1974, the Christchurch City Council hereby resolves by way of Special Order that the name of the section of Chadbury Street shown on the attached plan be changed to "Bottle Lake Drive".*
- (c) *That the Council Secretary be authorised to give public notice that the foregoing resolutions will be submitted to an ordinary meeting of the Council to be held on Thursday 24 October 2002, for confirmation by way of Special Order.*
