

#### 4. SKIPTON STREET

The Board received a report with further information regarding the impact the trees in Skipton Street have on properties with regarding to dampness and shading, street lighting and tree root damage to footpaths.

The Board **decided:**

1. That the information be received and that copies of the 'Preventing Mould and Mildew' pamphlet be left at the Shirley Community Trust premises in Acheson Avenue for public information.
2. That the Shirley Board members, Council staff and a representative of Housing Corp. meet with Skipton Street residents to discuss the report. Notice of the meeting to be advised by mailbox drop to residents of Skipton Street.
