

## **17. CROSS BOUNDARY ISSUES - SELWYN DISTRICT COUNCIL**

The Committee gave consideration to a staff report on progress on setting up a meeting concerning cross boundary issues with Selwyn District Council.

At its March meeting the Committee decided to hold an informal meeting with Selwyn District to discuss the following matters:

1. Boundary adjustments.
2. Management of the Halswell River catchment.
3. Management of the Summit Road protection area.
4. Management of urban growth in Christchurch and surrounding districts.

The Committee confirmed its intention to meet with Selwyn District Councillors to discuss the above cross-boundary issues and appointed Councillors Buck, Ganda, Harrow, O'Rourke and Wells, together with the Chairpersons of the Riccarton/Wigram Community Board and the Fendalton/Waimairi Community Board (or their representatives) to represent the Committee at the meeting.
