

## 6. CREATIVE COMMUNITIES SUBCOMMITTEE

A report from the Leisure Manager reviewed the Council's representation on the Creative Communities Subcommittee in light of there being no representation from the parent Arts, Culture and Heritage Committee.

The Committee **resolved**:

1. That the Arts, Culture and Heritage Committee be represented on the Creative Communities Subcommittee by the Committee Chairman, Councillor Anna Crighton, or in her absence the Deputy Chairman, Councillor Sally Buck.
2. That the Creative Communities Subcommittee be the Council's nominees on the Creative Communities Assessment Panel.
