

### 13. PRIORSFORD COURT – PROPOSED PETANQUE COURT

The Community Advocate set out a suggested process for the Board to deal with the residents' application for the establishment of a petanque court in Priorsford Court, the details of which were as follows:

1. The Council will, firstly, conduct its own consultation on the proposal. To this end a questionnaire will be circulated for return comment during the first two weeks in April.
2. The feedback from residents will be considered in conjunction with an officer's report to the Fendalton/Waimairi Community Board. It is suggested that the report should be considered by the Board at a special meeting to be convened during the second week of May. Residents wishing to speak in support of their comment will be able to seek speaking rights at this meeting.
3. The outcome from the Board's consideration will be recommended to a meeting of the Council on 23 May. (Because of the "uniqueness" of the proposal it will be necessary, on this occasion, for the Council – and not the Board – to finally resolve on the matter.)

The Board also considered a draft consultation document to be circulated to the local community including the extent of its circulation.

The Board **decided**:

1. That the process proposed to consider the residents' application for approval to construct the petanque court be noted.
2. That the consultation document (including the agreed modified area of distribution) be endorsed for circulation and comment.
1. That a Special Meeting of the Board be held on Tuesday 7 May 2002 at 4.00 pm in the Board Room, CCC, Fendalton to consider this matter.
