

## 15. PROPOSED NEW ROAD NAMES

The Board was in receipt of a report regarding names proposed for new streets in the 'Halswell on the Park' subdivision, off Halswell Road

This new stage will create 110 new residential sections, to be serviced from four new culs-de-sac and a new road.

The names chosen for the first stage recognised early pioneers and dignitaries from the Halswell area, and this theme is continued into the new stage.

The Board **resolved** to approve the following names:

- Garforth Green
- Macartney Avenue
- Blowers Place
- Sophia Gardens
- Ernest Gray Place
