

3. **PARKS AND WATERWAYS CAPITAL PROGRAMME**

The Board received a report outlining progress on Parks and Waterways Capital Projects within the Board area as at 21 March 2002.

The Board **decided:**

1. To request that copies of pamphlets on Parks and Waterways Capital projects come before the Board as an agenda item before going to the public.
2. To seek clarification from staff on whether it is Crofton Road or Smacks Creek scheduled for Waterways and Wetlands Restoration - Asset Improvements.
