

17. CYCLE STEERING GROUP REPORT

The Committee considered a report from Alix Newman, Transport Planner, providing an update on the initial meeting of the Cycle Steering Group and seeking approval to the group's terms of reference and membership.

It noted that the recommendations from the group's initial meeting held on Tuesday 12 March 2001 were that its terms of reference should be as follows:

- To develop, and monitor the implementation of the cycle strategy.
- To comment on cycle aspects of Council projects.
- To make recommendations where the Council makes cycle policy decisions.

Group Membership

In accordance with the resolution of Council establishing the subcommittee, approval to the appointment of external representatives to the group was sought in respect to:

Tim Hughes - LTSA representative
Tom McBrearty - NZAA representative
Stephen Burgham - Advocate
Steve van Dorsser - Advocate
Richard Hayman - SPOKES
Dave Kelly - Advocate

in addition to the appointment of an additional external member - a younger teacher who could add a (junior) school perspective.

The Committee **resolved**:

1. That the Cycle Steering Group terms of reference be approved.
2. That the group membership (including the new member) be approved.
