

## 12. EXTENSION OF WORLD BUSKERS FESTIVAL TO INCLUDE NEW BRIGHTON

The Team Leader Recreation and Arts responded to a request by the Board at its 27 May 2002 meeting to investigate options for an extension to the World Buskers Festival to include New Brighton. The Board **resolved** that \$9,000 be provided from 2002/03 Discretionary funds for a two-day extension of the 2003 World Buskers Festival to New Brighton and that the additional funding required be found elsewhere.
