

4. PARKS AND WATERWAYS CAPITAL PROGRAMME 2001/02

The Capital Projects Team Manager informed the Board on progress on Parks and Waterways Capital Projects within the Board area as at 20 June 2002. The Board **decided:**

1. That the information be received.
2. That further information be provided on the following items:
 - Farnborough Reserve - Update on land swap, including map of land involved.
 - Shortland Reserve - Update on status of consent process.
 - South New Brighton Domain Fountain - Confirmation of whether the fountain is to be reinstated.
 - Bower Park - Update on pathways development.
