

8. **NOTICE OF MOTION – APPOINTMENT AND MONITORING OF BOARD REPRESENTATIVES ON EXTERNAL ORGANISATIONS**

The Board considered a Notice of Motion from Mark Kunnen relating to the appointment and meeting attendances of Board representatives on outside organisations.

An invitation was extended to Councillor Wright, who was in attendance, to comment on the proposal.

The Board **resolved** that, in the interests of transparency and accountability, the Board publish annually a record of Board appointed members' attendance at meetings of the various organisations on which they represent the Board and/or Council, and that these details be made available to the incoming Board at the start of each three year term.
