

6. DEPUTATION BY BROMLEY COMMUNITY RESIDENTS INCORPORATED – CYPRESS STREET

Craig Cormack, representative of the Bromley Community Residents Incorporated, addressed the Board regarding improving Cypress Street. In his submissions, Mr Cormack stated that the following improvements were needed:

1. A footpath with channel and kerbing.
2. A cycleway.
3. Clearly defined cemetery access from Ruru Road.
4. Road markings and signage.
5. Speed controls.
6. Prevention of unsuitable traffic.

The Board complimented Bromley Community Residents Incorporated on its comprehensive written and oral submissions and **decided**:

1. To meet with representatives of Bromley Community Residents Incorporated and Brian Neill, Network Operations Team Leader on site at Cypress Street to view the area.
2. To consider recommending that Cypress Street works be incorporated in the Council's Capital Works Programme for 2003/04.
