

12. TRUSCOTTS ROAD – STRUCTURE ON STREET APPLICATION

The Board considered a report seeking the Board's approval for the resiting and construction of the Wood Hill signal tower on legal road outside the entrance to Ferrymead Heritage Park.

The Board **resolved** that the re-siting and construction of the Wood Hill signal tower be approved subject to the following conditions:

1. A building consent for the tower structure being obtained.
2. The owner being entirely responsible for the stability, safety and future maintenance of the structure.
3. The site being kept in a tidy condition at all times during the course of construction.
4. Construction of the structure being commenced within six months and completed within twelve months or the approval lapses.
