

16. TENDER RIC CARTON PUMPING STATION

The Committee considered a report seeking approval for acceptance of a tender for the provision of a new pump station to service the Riccarton area and replace the existing stations at Clarence and Mandeville Streets.

The report contained information on the background to the project and details of the tenders received.

The Committee **resolved** that the lowest price conforming tender of City Care Ltd for the sum of \$554,525 be accepted.
