Mayor Tony Arps, Hurunui District Council, updated members on the resource consent hearings which had been held in Amberley in respect of the proposed regional landfill at Kate Valley and noted in particular the efforts made by the Commissioners to afford submitters every opportunity to fully express their views.

Mr Don Young, Waimakariri District Council, reported on the first hazardous waste collection pilot which had been held over the previous weekend in Kaiapoi and advised that another hazardous waste collection was planned for Rangiora. He reported that no significant problems had been experienced and a quantity of discarded batteries, paint, chemicals, waste oil etc had been handed in.
