

11. GRAND LODGE OF NEW ZEALAND R.A.O.B LEGAL ART PROJECT

The Board considered a report from the Legal Art Co-ordinator seeking funding from the Board for a legal art project in partnership with the Council and the Woolston R.A.O.B Lodge (see also clause 10).

The Board noted that it had not been provided with a copy of the Lodge's most recent audited accounts, and **resolved** to refer the funding request to its Community, Policy and Finance Committee with power to act.
