

## 22. CHARTWELL RESERVE - EASEMENT APPLICATION

A report from the Policy and Leasing Administrator enabled the Board to consider an application by Balfour Taylor Limited, Registered Land Surveyors and Consultants, on behalf of G Hampton for a registered easement over Chartwell Reserve in which to lay a sewer and stormwater pipe from the subdivision of a property (lot 2 DP 67930) situated behind the reserve. The Board **resolved** that the Board grant a registered easement over approximately 193m<sup>2</sup> of Chartwell Street Reserve in favour of Lots 1 to 5 of subdivided Lot 2 DP 67940 in which to lay sewer and stormwater pipes pursuant to Section 48(1)(f) of the Reserves Act 1977, subject to the 12 conditions outlined in the report.
