

### 3. TRAVIS ROAD - PETITION FOR ROADSIDE RESERVE

The Area Engineer reported in response to a petition to the Board requesting improvements to the edging on Travis Road between Burwood Road and Frosts Road. The Board **decided:**

1. That the Board refer the request for some low planting along the front of Travis Country Estate to a joint Board/Sustainable Transport and Utilities Committee Working Party.
2. That the grassed area in front of the Estate be maintained in a safe and tidy condition by the City Streets Unit until the outcome of a planned traffic management plan is known.
3. That the organiser of the petition be informed of this report and the situation with future plans for Travis Road.
