

### 3. PROPOSAL FOR BISHOPDALE MULTI-PURPOSE FACILITY

A report was received on the proposal for a multi-purpose facility at Bishopdale, as a partnership between the Council, the Fendalton/Waimairi Community Board and the YMCA.

The Committee **decided**:

1. That the Committee include the recent study outcomes, resulting from the YMCA and Fendalton/Waimairi Community Board's initiatives, in the Council's upcoming Major Facilities Study.
2. That, in order to assist the YMCA in its planning for a replacement for the existing Greers Road facility, the completion of the major facilities study be given priority.
3. That the report be referred to the Pools and Stadia Subcommittee for consideration and that the Subcommittee also be briefed on a project proposed by the Shirley/Papanui Community Board.
