

#### 4. YOUTH NIGHT SAFETY: PILOT PROJECT

The Committee **received** a report on an interagency pilot project due to commence in February 2002. The project focused on providing a safe place for children and young people who have been found unaccompanied and in potentially unsafe situations in public places on Friday and Saturday nights.

The Committee **decided**:

1. That the report be referred to the Children and Youth Subcommittee for information.
2. That staff prepare a letter of thanks to CYPFS and the Police for their efforts in establishing the pilot project.
