

13. DELEGATIONS TO COMMUNITY BOARDS

Details of the Council's delegations to Community Boards as adopted on 12 December 2001 was **received**.

Some concerns were expressed at the ongoing reduction in maintenance standards especially within the boundaries of road reserve areas across the city. It was **agreed** that the matter again be addressed by the Board's Works, Traffic and Environmental Committee as a follow up to the Board Seminar on this topic held in May 2001.
